Try our new Electric Car

The Electric Smart car is on a one year lease to Colwall Car Club (CCC) at a reduced rate, as part of a Government funded scheme to data log patterns of use and recharging.

In addition to being used by normal CCC Members, CCC & Transition Malvern Hills want to provide residents of the Colwall and Malvern Hills area with the opportunity to trial an Electric Car for a day.

By becoming a member for the normal monthly fee of (£5) the Car Club can insure any driver over 25 with a good driving record to use the car.

We plan to charge £25 for a day's use (8am to midnight). The car would be fully charged with a range of 80 miles. The one month's membership fee would also allow use of any of the clubs 4 other cars (3 in Colwall & one in Malvern) at the normal members rates.

Also local organisations who want to demonstrate their interest in Carbon Reduction to their staff can have the use of the car for a day with a CCC member to show to staff and allow them short drives (for £150 per day).

Designed by Reeves Design and Printed by Malvern Hills District Council, Document Services on 100% Recycled paper
